SUMMARY

BS Computer Science student at the University of Cabuyao combining software development, technical leadership, and community execution. Builds full-stack web applications, leads the ACSS (500+ members), and drives partnerships at No-Code Philippines. Founded PROJECT XP, a gamified digital literacy initiative and Champion of Sibol ng Laguna 2025. Career interests span software engineering, technical project management, and education technology.

SKILLS

Languages: Java, Python, JavaScript, TypeScript, PHP
Web Technologies & Frameworks: HTML5, CSS3, React, Next.js, Laravel, Tailwind CSS
Development Tools & Platforms: Git, GitHub, Docker, Visual Studio Code
Software Development & Other: Full-Stack Web Development, Software Testing, Product-Oriented Development, Technical Project Management, Technical Program Coordination

RELEVANT EXPERIENCE

Founder & Project Head *Oct 2025 – present*
PROJECT XP: Experience Digital Growth in Laguna's Arcade of Learning

- Founded and leads a youth-led, not-for-profit digital literacy initiative designed primarily for Grades 4–6 learners and their wider school communities.
- Developed an arcade-inspired learning approach that transforms topics such as online safety, cybersecurity fundamentals, misinformation, digital citizenship, critical thinking, and healthy digital habits into engaging educational activities.
- Coordinates the initiative's planning, learning experience design, community engagement, and youth volunteer involvement.
- Led PROJECT XP to become Champion of Sibol ng Laguna 2025 under the Kaunlarang Teknolohikal category.

Project Head *A.Y. 2025–2026*
The Great Flavor Byte – ACSS General Assembly, Association of Computer Science Students, University of Cabuyao

- Led the planning and coordination of the organization's general assembly for its Computer Science student community.
- Coordinated project implementation with student leaders and organizing teams.

SELECTED PROJECTS

RoarCast — Tech Education Platform *Ongoing*

- Developing a technology education and intelligence platform featuring personalized learning paths, readiness assessments, and community-oriented features.
- Focuses on creating a structured digital environment for technology learning and learner development.
- **Technologies:** Next.js, React, TypeScript, Tailwind CSS

ElderKey — Healthcare Solution *Ongoing*

- Developing a full-stack healthcare application focused on elder-care management.
- Applies web development concepts to a technology-assisted healthcare use case.
- **Technologies:** Full-Stack Web Development

INVITED TALKS AND WORKSHOPS

Lecturer & Project Head — ACSS Java Coding Camp for Freshies *A.Y. 2024–2025*

- Led the planning and implementation of a Java-focused coding camp for first-year Computer Science students.
- Served as a technical lecturer, introducing junior students to Java programming concepts and coding practices.
- Combined technical instruction with project coordination and student-focused learning support.

ORGANIZATIONS

Director, Partnerships & Business Development *Jul 2026 – Present*
No-Code Philippines

- Leads partnership development and business development initiatives for a national no-code technology community in the Philippines.
- Drives collaborations with organizations, institutions, and stakeholders to advance the no-code ecosystem.
- *Progressed from Community Volunteer (Feb–Nov 2025) to Director, reflecting expanded scope in community leadership and external relations.*

President *A.Y. 2025–2026, A.Y. 2026–2027*
Association of Computer Science Students — University of Cabuyao

- Leads a Computer Science student organization serving 500+ members annually.
- Oversees student programs, technology initiatives, org activities, partnerships, and community-building efforts.
- Leads and coordinates officers project teams in implementing programs for the university's Computer Science community.
- *Progressed from Public Relations Officer (A.Y. 2024–2025) to President, reflecting expanded responsibilities in organizational leadership and program management.*

Public Relations Office — Member *Dec 2024 – Nov 2025*
ASEAN Youth Advocates Network

- Contributed to public relations and communications efforts within a regional network of youth advocates across Southeast Asia, supporting initiatives aligned with community development and civic engagement.

VOLUNTEERING

Volunteer *June 2025*
Brigada Eskwela 2025: Sama-sama para sa Bayang Bumabasa

- Participated in the DepEd-led national school maintenance and literacy mobilization program, contributing volunteer efforts to support public school readiness ahead of the academic year.

Committee Member *Dec 2024*
Damay ng Dangal 2025 — College of Computing Studies, University of Cabuyao

- Helped organize and execute a community extension program visiting Barangay San Isidro, Cabuyao City, distributing gifts to children as part of a Christmas outreach initiative.
- Contributed to the college's commitment to community service and social responsibility beyond the campus.

Volunteer — Speaker Relations Committee *June 2024*
DEVCON Laguna PUP Campus Roadshow

- Managed speaker coordination and logistics for a technology-focused campus roadshow, supporting the delivery of a developer community event to university students in Laguna.

ACHIEVEMENTS

Champion — Sibol ng Laguna 2025: Kaunlarang Teknolohikal *Oct 2025*

- Awarded for PROJECT XP: Experience Digital Growth in Laguna's Arcade of Learning, a community-based and gamified digital literacy initiative.

Finalist — CodeChum National Programming Challenge 2025 *A.Y. 2025–2026*

- Member of the University of Cabuyao team recognized as a finalist in the national programming competition.

1st Runner-Up — BatStateU–Alangilan InterCICSkwela Online Competitive Programming Competition *A.Y. 2024–2025*

- Earned first runner-up recognition in an inter-university competitive programming competition.

EDUCATION

University of Cabuyao *2023 – 2027*
Bachelor of Science in Computer Science

Academic Distinctions: Dean's Lister — A.Y. 2024–2025 (1st Sem); President's Lister — A.Y. 2023–2024 (2nd Sem); Dean's Lister — A.Y. 2023–2024 (1st Sem)

Scholarships: CHED Merit Scholar; Iskolar ng Laguna — Provincial Scholarship; Iskolar ng Bagong Cabuyao — City Scholarship
